This committee will then conduct a final evaluation of the offerors. The Procurement Specialist or CFO shall then negotiate a proposed contract with the highest qualified offeror. At the time the proposed contract is negotiated, the offeror and the Evaluation Committee may negotiate any changes desired in the Request for Proposal if deemed in the best interest of the Bamberg County School District. If a satisfactory proposed contract cannot be negotiated with the highest qualified offeror, negotiations will be formally terminated.

Negotiations shall then be undertaken with the second most qualified offeror and so on. The Committee will make appropriate recommendation to the Bamberg County School District Superintendent and/or Board prior to actual award of contract. In evaluating the proposals, the District reserves the right to accept or reject all or any part of any proposal, waive minor technicalities, and award the contract to the offeror deemed to best serve the interests of the District; and adopt any part or all of a proposal if it is judged in the best interests of the District.

- 11.02** Each proposal will be evaluated on the content of the offeror's proposal, i.e., the burden of information clarification and research rests solely on each offeror's effort and will be considered a reflection of interest and efficiency.
- 11.03** During the review process, the review panel shall have the right to request from offerors any other information or evidence which it deems necessary for evaluation of the proposal and relevant to any one or more of the stated evaluation factors. The failure of an offeror to promptly provide such requested information or evidence shall be sufficient grounds for determining the offeror to be non-responsive and for rejection of the proposal.
- 11.04** The District reserves the right to contact an offeror for clarification of information submitted, to contact references, and to use other sources of obtaining information regarding the offeror that is deemed appropriate and would assist in the evaluation.
- 11.05** Proposals, which, after discussion and submission of additional clarification and/or supplementary information, are determined to meet the specifications of the Request for Proposal, will be classified as "acceptable".
