

Rocky Hill Public Schools

ACETAMINOPHEN OR IBUPROFEN PERMISSION FORM

Per our Medical Advisor, Rocky Hill School Nurses are allowed to dispense Acetaminophen and Ibuprofen for ages 6 yrs and older under standing orders with written permission from parents/guardians under the following guidelines.

Acetaminophen and Ibuprofen may be administered in school for **menstrual cramps, headache without fever(temp >100) and dental or orthopedic pain under treatment** in dosages as listed below. If a student needs to exceed one (1) dose/day, two (2) doses/week or four (4) doses/month, their parents and/or primary physician should be notified.

If you wish for your child to be given medication as indicated in our standing order please complete the following:

Name of Student _____

Allergies _____

School _____

Acetaminophen (Tylenol)

325 mg _____ (6-12 yr)

650 mg _____ (12 yr and older)

Ibuprofen (Advil or Motrin)

200 mg _____ (6-12 yr)

400 mg _____ (12 yr and older)

To my knowledge, my child is not allergic to Acetaminophen or Ibuprofen and they have no medical condition that the selected medication would be harmful.

Parent/Guardian Signature _____

Parent/Guardian Name Printed _____
