**Dear St. George Families,**

Welcome back to a new school year! My name is Debbie Brennan, and I am so excited to serve as the Before and After School Care Coordinator at St. George School.

St. George holds a very special place in my heart. I have been part of this wonderful community for many years—not only as a staff member, but also as a proud parent. My own children are graduates of St. George, and I know firsthand the love, values, and sense of community that make our school such a special place.

Our Before and After School Program is designed to provide your child with a safe, nurturing, and fun environment outside of regular school hours. Whether they are joining us for a calm morning start or winding down in the afternoon with friends and activities, our goal is to support your child's growth and well-being every step of the way.

#### **Safety & Security**

The safety of all students is our top priority. During extended day hours, all doors remain locked at all times. Only staff members are permitted to open the doors. When picking up your child, please use the **doorbell located in the lobby**, and a staff member will escort your child to you through the designated **Extended Day doors**. For your convenience, a **sign-out book** is located in the lobby and must be completed at every pick-up.

Please note that **children will only be released to individuals listed on your authorized pick-up form**. If there are any changes, please notify us in writing. This policy is in place to ensure the safety of every child.

#### **Program Details**

- **Homework Help:** Our staff is available to assist students with homework during After Care. We aim to create a supportive and structured environment to help children stay on track with their assignments.
- **Payments:** Extended Day payments are billed **bi-monthly** and will be sent directly to families via email. Please make sure your contact information is current and check regularly for billing notices.

If you have any questions about the program, need to register, or would like to meet in person, feel free to reach out. I'm looking forward to another great year with our students and families!

Warm regards,

**Debbie Brennan** [dbrennan@stgeorgeschool.org](mailto:dbrennan@stgeorgeschool.org)
