Big Ideas	Essential Questions
- The creative ideas, concepts and feelings that influence musicians' work emerge from a variety of sources - Musicians' creative choices are influenced by their expertise, context and expressive intent. - Musicians evaluate and refine their work through openness to new ideas, persistence and the application of appropriate criteria.	- How do musicians generate creative ideas? - How do musicians make creative decisions? - How do musicians improve the quality of their creative work?
Objectives	
Students will be able to - Create traditional notation and/or non traditional loop based rhythm compositions. - Create structured tonal compositions with structured rhythm following melodic contour.	

- Compose short percussive loop patterns using notation software.
- Compose using a specified harmonic progression
- Count music based on written notation and time signature
- Use Composition software
- Read and perform music based on written notation.

Students will know

- How a song's melodic, harmonic, rhythmic and form come together as an expression of art.
- What comprises a chord and how to build a I IV V chord in a given key
- Music notation sixteenth through whole notes, quarter half and whole rests and their values
- How to apply beat numbers and syllables to a composition reflective of the time signature

Assessment

Formative Assessment:
Participation
Formative: Performance: Authentic Task/ Skill Demonstration
Students will be assessed each class on their level of engagement, cooperation, and participation in class discussions and activities.

Class Discussions
Formative: (Other)
Students will be assessed through observation during class discussions and activities for accuracy, understanding, and technical ability.

Teacher-Student Conferences
Students will meet with the Teacher at regular intervals throughout the school year to set and assess student personalized learning goals.

Project/Composition
Summative: Project: Student Portfolio Piece
Students will create an individual or group project incorporating material covered as a culmination to unit of study.

Benchmark:

Pre Assessment
Benchmark: Written (Test): Written Response
Students will be administered an assessment at the beginning of the unit to determine level of understanding and application of music terminology and notation. Student's assignments and groups will be based on this benchmark assessment for the year.

Alternative:
- **Modified Assessment based on individual IEPs and Advanced skills**
  Performance: Authentic Task/Skill Demonstration
  Students will be assessed based on applicable skill level including modified tests, project enrichment/extension.

Califon Public School
Music Curriculum

Subject: Music	Grade: 8	Unit #: 2	Pacing: 16 weeks
Unit Title: Performance: Vocal and Instrumental Development			

OVERVIEW OF UNIT:

Students will use proper vocal and instrumental techniques while rehearsing, refining and performing contrasting pieces of music for Concerts and in class performances. Students may participate in Band, Chorus, and extra curricular ensembles in addition to music class performance opportunities. Students will demonstrate performance decorum and proper audience etiquette. Students will apply appropriate music terminology in written or oral critique of performance.

Unit References	
Big Ideas	Essential Questions
- Performers' interest in and knowledge of musical works, understanding of their own technical skill, and the context for a performance influence the selection of repertoire. - To express their musical ideas, musicians analyze, evaluate and refine their performance over time through openness to new ideas, persistence and the application of appropriate criteria. - Musicians judge performance based on criteria that vary across time, place and cultures. The context and how a work is presented influence audience response.	- How do performers select repertoire? - How do musicians improve the quality of their performance? - When is a performance judged ready to present? How do context and the manner in which musical work is presented influence audience response? - How do musicians make meaningful connections to creating, performing, and responding?
Objectives	
Students will be able to: - Demonstrate Professionalism - Follow conducting cues - Sing/Play in an ensemble	

- Perform music with technical accuracy, stylistic expression and culturally authentic practices
- Rehearse, refine and determine when the music is ready to perform.

Students will know:

- Age appropriate vocal technique
- Skill level appropriate instrumental technique
- Professional performance procedures
- Musical terminology as it applies to performance pieces

Assessment

Formative:

Participation

Students are assessed each class during concert preparation for the following skills:

- effort
- following musical score and conductor cues
- vocal production
- memorization
- concert procedures
- instrumental technique

Teacher-Student Conferences

Students will meet with the Teacher at regular intervals throughout the school year to set and assess student personalized learning goals.

Summative:

Authentic Task/Skill Demonstration

Students will be assessed by observation each class period for their comprehension and accuracy of the performance material. Students will also be expected to demonstrate proper performance and audience etiquette.

Performance Critique

Written or oral student assessment of Music Concert. Information to include:

- overall performance
- areas of strength
- areas for growth

- personal accomplishments and/or areas for growth.
- professionalism

Benchmark:
Pre Concert Preparation

Students will be assessed through observation and authentic skills proficiency at the beginning of the unit.

Alternative:

Subject: Music	Grade: 8	Unit #: 3	Pacing: 20 weeks
Unit Title: Responding: Music History and World Music			

OVERVIEW OF UNIT*:*

Students will study the historical influence and progression of varied musical genres from the 20th century and into the 21st century. Areas of study to include, but are not limited to, African Drumming, Negro Spirituals, Jazz, Rock and Roll. Students will apply study to authentic in class performances per genre. Unit will culminate in an individual or group project.

Unit References	
Big Ideas	Essential Questions
- Individuals' selection of musical works is influenced by their interests, experiences, understandings, and purposes. Response to music is informed by analyzing context (e.g., social, cultural, historical) and how creator(s) or performer(s) manipulate the elements of music. - The personal evaluation of musical work(s) and performance(s) is informed by analysis, interpretation, and established criteria. - Through their use of elements and structures of music, creators and performers provide clues to their expressive intent.	- How do individuals choose music to experience? How does understanding the structure and context of music inform a response? - How do we judge the quality of musical work(s) and performance(s)? - How do we discern the musical creators' and performers' expressive intent?

Objectives

Students will be able to

- Perform in the style of studied genre
- Identify influential musicians from studied genre
- Aurally identify master musical works from studied genre

Students will know

- Historically important events that influenced studied genre
- Music from the past that influenced this genre
- How notable musical works from this genre fit on a timeline.
