

Ariton School is thrilled to announce that the *Purple Cats Want to Play* playground fundraiser has raised \$73,749.75! The support that we have received from students, parents, businesses, and our community members has been overwhelming. We still are working on three grants and hope that these will be awarded to add to the money that has been donated. Please know that we are planning and working towards the goal of our new playground and hope construction can begin the fall of 2022. Ariton School would like to personally thank Mrs. Jen Sanders and the *Purple Planners* for all of their hard work. Thank you for your continued support of Ariton School!
