CTE Department Wins over \$50,000 in Grants

The CTE (Career and Technical Education) Department, overseen by Mrs. Schimelpfenig, received grant awards of over \$50,000 this year. These grants allow the CTE Department to purchase computers and Chromebooks, software, and curriculum to improve the classes in accounting, computer technologies, and I.T. New this year will be the ability to prepare students to take the CompTIA A+ certification courses – an industry standard for those who wish to work in the I.T. field.

FOOD SERVICE UPDATE FOR 2025 - 2026 SCHOOL YEAR

Once again, we are pleased to announce that all meals will be free to all students as we are a Community Eligibility Provision School (CEP).

Applications will be sent home the first day of school and will be posted in the lunch room section on this website. Please return all forms to the school as soon as possible as information is used to ensure our school receives other state funding for educational programs and ensures that your child gets all the possible benefits he/she is entitled to.

We are looking forward to serving students healthy, appealing foods on a daily basis with a **BIG EMPHASIS** on fresh fruits and vegetables to assist in the learning process!

If you have any questions or concerns, please call us at 360-291-3244, ext. 3042.

Missie Holmes, Food Service Director/Supervisor
