Principal's report:

- **First Practice Cross Country, Football, & Volleyball was or will be held today August 10th**
- **Cheerleading Update: Mr. Stoner received the following email from Mrs. Bohman on Friday July 31:**

After much discussion between Lisa, Maddie, and myself we feel for the best interest of beginning a cheerleader program, it would be best to wait until the 2021 football season. We were unable to do any fundraising or cheer camps this summer due to COVID. We want to ensure the success of the program and make sure the girls look very professional while cheering on the field and we feel at this point, we couldn't start the program to the standard in which we envisioned in January. I'm sorry for the inconvenience, but look forward to next year. Please let me know if you have any questions.

Thanks,
Alison Bohman
