

A close-up, slightly blurred photograph of the American flag, showing the blue field with white stars and the red and white stripes. The flag is draped and appears to be waving. The text "Welcome to 5th Grade!" is overlaid in the center in a bold, black, sans-serif font.

Welcome to 5th Grade!

Academics

<https://www.georgiastandards.org/Georgia-Standards>

This site contains our 5th grade Georgia Standards of Excellence.

Students will be expected to complete weekly reading homework by logging their nightly reading in their Reading Log, located in the front of the agenda. Students will also be given extra practice and Study Guides throughout the year. These should be completed by the teacher's specified due date.

Behavior

Please be sure to check your child's Point Bank regularly. The Point Bank is designed to be the teacher's mode of communication with you about daily behavior.

Credits are given for positive choices.

Debits are given for negative choices.

Students earn and keep points for various activities throughout the year.

Testing

5th graders will take the Georgia Milestones Assessment in April. Fifth Grade is a gate year, meaning students must pass in the areas of Reading and Math in order to be promoted to sixth grade. We work all year to help students be prepared for this assessment.

Using resources provided to students via their student portal, will help them study and practice for the test (IXL, Khan Academy, BrainPop, etc.).
