Dear Families,

October is here and the school year is in full swing! We have had a great first month and are looking forward to the rest of the year. We've experienced more growth this year as our PreK-12 enrollment is currently at 345 students. The school's building project is moving along. Phase two involves remodeling of the existing portion of the building. Currently the multi-purpose room, old science room, and old FACS classrooms are being remodeled. FFA land judging is off to a good start and the Cyclone football, cross country and volleyball athletic teams are in mid-season. The homecoming festivities have been set and the student council has been planning the different activities with the week culminating with our homecoming parade at 1:00 on Friday, October 4th. As fall is upon us and winter coming soon, please be sure that your child/children are dressed appropriately, we are getting to the point of having cool mornings and evenings while warming up throughout the day. As always, we appreciate your support of the Willow Lake School!

Respectfully,  
Chris Lee
