

Summer Reading 2024 Rising Grade 7th Grade

Hello rising 7th graders! As you get ready to move up the hill and start the seventh grade it is important for you to continue reading this summer. As an incentive, Mrs. Reynolds created a summer reading program that requires you to track how many minutes you read this summer in 10-minute increments. You may read any book of your choice and for every 10 minutes of reading time (or every 20 minutes of listening time), you earn a Falcon coin. Earn double the points if you read a teacher suggested book (list below). The students with the most coins will win a prize. Mrs. Reynolds will share a flyer through Renweb with a link for you to log your reading points!

I look forward to meeting you in the fall and hearing about all the books you read this summer.
