Notes from the Superintendent

I hope you have had a safe and healthy summer. The COVID-19 pandemic has subsided somewhat, but variants continue to spread. The Illinois Department of Public Health and the Illinois State Board of Education have announced recommendations for opening schools this fall. In response to the guidance from the state we plan to implement the following mitigations: encourage social distancing, when possible, continue enhanced sanitation practices, continue use of our ultraviolet room sanitation machine, continue use of reverse ionization air sanitation in our classrooms and public spaces, encourage frequent hand washing, limit visitors, require students and staff to stay home if sick and to get tested if they have symptoms consistent with COVID-19. Beyond these reasonable mitigations it is our intent to return to normal operations for the coming school year.

The first day for students will be Wednesday, August 17, 2022, and we will run a 2:05 P.M. early dismissal schedule that day. There will NOT be a remote learning option offered this school year. While we plan to conduct a normal school year however, we will monitor conditions closely and if circumstances warrant enhanced mitigations, we will do so. The safety of our students and staff is paramount in our decision making.

Back to school meetings for every grade level will be conducted August 8, 2022. A schedule of these meetings is included in this newsletter. The purpose of these meetings will be to explain rules, procedures, and expectations. In addition, students will meet their teachers, visit their classrooms, and drop off school supplies they have purchased. We will also distribute laptops to students in grades 6-12 during these meetings. These will be important meetings so please make every effort to attend.

Our District custodial staff members: Mr. Kyle Leech, Mr. Murphy Baldwin, Mr. Jeremy Diehl, Mr. Caden VanDyke, and Mr. Carson Boyer are doing an excellent job in maintaining the school grounds and preparing the building for the new school year! Rooms have been painted, new flooring installed, repairs completed, floors waxed, and a thorough cleaning has been completed. Milledgeville School is in the best condition it has been in 40 years.

A student's success in school is influenced by their own effort and by the interest and cooperation of parents with the school. The primary reason students fail is because they do not complete their work. Help your child get off to a good start by monitoring their homework completion and checking their work on a regular basis. Regarding discipline concerns or academic/grade issues the school needs parental support when dealing with your student. If you hear your child talk disparagingly about school or education stop them immediately and demand that they respect the institution. Students listen to their parents and if they know you expect them to work hard, do their work, show respect, and have a positive attitude they are far more likely to do so when at school. Finally, I encourage parents to work cooperatively with the school when problems or conflicts arise. Working together we can be far more successful in resolving problems. If you have any questions, concerns, suggestions, or if you wish to arrange a conference, please phone your student's school:

- Chadwick-Milledgeville Elementary K-5 at 225-7143
- Chadwick-Milledgeville Jr. /Sr. High at 225-7141
- Chadwick-Milledgeville CUSD #399 District Office at 225-5839

We wish to remind parents that the school buildings are not open before 8:00 A.M., at which time school employees will enable students to enter through the various doors. Students or parents arriving after 8:15 A.M. need to enter through the following buzzer release door: Milledgeville School – North rear main entrance from the parking lot (large orange fascia). All exterior doors are locked from the outside on a permanent basis during the school day to enhance safety and security.

Our school news will again be presented on the last Wednesday of each month through an insert in the Prairie Advocate Newspaper. We hope you will save the insert for reference to activity dates throughout each month. Thanks to the efforts of our District Secretary Mrs. Jody Mertz, Weekly Lunch Menus and much of our school district news is also posted on the District's website: www.dist399.net.

Welcome back to school. Working together this will be a great year!
 Sincerely, Tim J. Schurman, Superintendent

COUNSELOR'S CORNER

Welcome to all of the incoming freshmen and new students. On Monday, August 8, 2022, we will host a Freshman Orientation for all ninth graders entering high school or any new students to the district. At this time students will be able to locate their lockers and tour the building. Laptop distribution will also take place immediately following the orientation, therefore, **all freshmen and their parents are required** to attend this meeting in order to receive their laptops. If there are any issues with you not being able to attend, please contact the high school office.

I will be available during registration to handle any schedule change requests and any other concerns students may have. Please understand if you are in an elective course that you do not wish to be in, we can look at alternatives. However, sometimes the schedule is limited, and you may have to choose between two electives you want to take.

I am looking forward to having a great year!

1:1 LAPTOP DISTRIBUTION FOR JUNIOR HIGH & HIGH SCHOOL

All Junior High and High School students will be issued a laptop computer, for use at home and school. This district initiative provides students equal access to a valuable learning tool which they can utilize at all times. Every student will have access to the Internet through these computers, which will be equipped with a filter to help prevent access to inappropriate websites. Students will not be allowed to use a family or personally owned laptop at school. Only a District-owned laptop is permitted for use at school and on the District network.

The laptops issued to students will remain District property. As with all materials issued to students by the District, the student is responsible for the care of the laptop. In the event equipment is lost or stolen the student/parent must immediately notify the Technology Director and immediately file a report with the Police Department. If technical issues arise, students must notify their instructor immediately. If the problem cannot be resolved, students will be referred to the Technology Director who will arrange for repairs.

These laptop computers will be issued to the students at the Back to School Grade Level Meetings mentioned in the following news article.

BACK TO SCHOOL GRADE LEVEL MEETINGS/LAPTOP DISTRIBUTION

WAIVER OF STUDENT FEES

The School Board has established fees and charges to fund certain school activities. School fees may include, but are not limited to: required textbooks and instructional materials; charges and deposits for use of school property; charges for field trips; charges for uniforms or equipment; charges to participate in extracurricular activities; charges for supplies of particular classes; graduation fees; school record fees; and driver's education fees.

The Board recognizes that some students will be unable to pay these fees; however, students shall not be denied educational services or academic credit due to the inability or unwillingness of parent(s) or guardians(s) to pay fees and charges. Students whose parents are unable to afford student fees may receive a waiver of fees; however, these students are not exempt from charges for lost and damaged books, locks, materials, supplies, and equipment.

At the beginning of each school year, the school district's waiver of school fees policy will be published in the District newsletter. A fee waiver application form shall be available at each building office.

A student shall be eligible for a waiver of a fee when at least one of the following prerequisites is met:

1. The student is currently receiving aid under Article IV of the Illinois Public Aid Code (Aid to Families with Dependent Children).
2. The student is currently eligible for Free or Reduced Price Meals pursuant to Ill. Rev. Stat., Ch. 122, Para. 712.1 et seq.

Additional consideration for fee waiver will be given where emergency situations exist. The parent or guardian shall submit evidence of eligibility for waiver of the student's fees. The Superintendent will notify the parent(s) or guardian(s) as to whether the fee waiver request has been granted or denied. A denied request shall state the reason.

SCHOOL VISION SCREENING NOTIFICATION

Vision screening by the school nurse will be done at school, as mandated, for the following children during the 2022-2023 school year: preschool, kindergarten, second, eighth, special education, teacher/parent referrals, and students new to the district. Vision screening is not a substitute for a complete eye and vision evaluation by an eye doctor (as required for Kindergarten).

Your child is not required to undergo this vision screening at school if an optometrist or ophthalmologist has completed and signed a report form indicating that an examination has been administered within the previous 12 months and that evaluation is on file at the school. This screening is not an option. If a vision examination report is not on file at the school; your child in the mandated grade will be screened.

SCHOOL REACH AUTOMATED TELEPHONE CONTACT SYSTEM

When the administration decides to close school, dismiss early, or wants to provide an important reminder to parents we will execute a School Reach call. When a School Reach call is made a recorded message will be sent to the contact numbers you provide the school district during registration. Please make sure that the contact numbers we have for your family are accurate and up to date. Warning: In the case of school closing you will receive phone call notification very early in the morning i.e. 5:00 A.M. If this is not acceptable notify in writing the office secretary in the building your child attends that you would like to be removed from the School Reach telephone notification program.

PESTICIDE APPLICATION NOTIFICATION

In accordance with the District's integrated pest management program, pesticide will only be used when necessary. If pesticides are needed at either the Chadwick or Milledgeville School, they will be applied the first Thursday of every month between 6 a.m. and 6:30 a.m. Those with questions may contact the superintendent at 684-5191, Ext. 223.

The 6th Annual Carley Ann Classic will take place Saturday, August 6th at the Milledgeville High School. Co-Ed Sand Volleyball Tournament and Bags Tournament Registration is due July 30th.
