Dashboard · Classes · Calendar · Schedule · More

• The **Dashboard** is the main page of the app.

• The **Class Overview** tab displays the student's full schedule for the school year, by quarters or by semester by clicking the down arrow. Select a specific class to display the teacher information allowing you to email the teacher directly. From this individual class page, you can also see the current grade, assignments/grades and absences.

• If you have more than one child linked to your account, you can switch students by clicking on the down arrow to the right of the picture in the upper right-hand corner of the screen and selecting a different student.

Dashboard · Classes · Calendar · Schedule · **More**

• Click **More** & click **Account** to set up real-time **Notifications** and updates regarding grades and attendance. For further assistance with the app, click **More** in the lower right-hand corner and click **Help**.

• To logout, click **More** in the lower right-hand corner and click Account. Once on the account menu, click **Sign Out** in the upper right-hand corner. As with any mobile app, your child's privacy is limited to the user's ability to protect their device. If you log out of the app after every use, there is no way for another person to view your child's account without the proper login information.
