RE: BUDG25 Expenditure Analysis for FY 2026 as of: 10/28/2025

In accordance with A.R.S. §15-905(E), this letter serves as notification that the Arizona Department of Education (ADE) reviewed the district's FY 2026 budgeted expenditures to determine if those expenditures exceed the general budget and or unrestricted capital budget limits. This analysis is current as of the date of this letter, and the district's FY 2026 BUDG25 report is available online at:

<https://schoolfinancereports.azed.gov/>

The district's budget analysis report (BUDG25), available by the link above, includes values from the district's FY 2026 most recent Expenditure Budget submission and the district's FY 2026 BSA55 report for the apportionment date of 10/22/2025:

Fund	ADE Calculated Limit	District Budgeted & Carryforward	Exceeds Limit	Amount Under Budgeted
M&O (001)	\$4,693,543	\$4,693,543	\$0	\$0
UNR (610)	\$384,689	\$384,699	(\$10)	\$0

1% of the GBL= \$46,935

Revision is not Required

Pursuant to A.R.S. §15-905(E), if the district exceeded the general budget and or unrestricted capital budget limits by 1% of its General Budget Limit (GBL), as indicated in the table above, the district is required to revise its FY 2026 budget by December 15th to reduce its expenditures to within the calculated budget limits.

By December 18th, the district must transmit its revised budget to the Superintendent of Public Instruction, via the School Finance Upload (Budgets/AFR) application of Budget System at <https://adeconnect.azed.gov/Apps>. The district must also, unless participating in the Accounting Responsibility Program per A.R.S. §15-914.01, file its revised budget with the County School Superintendent (CSS). As a reminder, for a required December 15 revision, the district may satisfy the publication requirement by uploading a revised notice of public hearing and budget summary no later than 10 days prior to the meeting. If the district maintains a website, the district must also provide a link that explains where the revised hearing notice and budget summary can be viewed on the ADE website.

If the district fails to revise expenditures to within calculated budget limits by May 15, 2026, FY 2027 budget limits will be reduced by the amount of the over expenditure.
