Enrollment Policies for Pirate Care

Welcome to Pirate Care, through Verndale Public School. We are excited to continue to offer this service to our families. Pirate Care is a fee-based, after school program for students in PK-6th grade. The Pirate Care Program will operate every day that school is in session from 3:10pm to 5:00 pm, starting September 6th. The program will be staffed by school district personnel, will help with homework, and a safe place for students to interact with their friends. The fee for the Pirate Care Program, after school session, will be \$5, per child, per day, with a cap of \$65 per week, per family. It is very important that children are picked up by 5:00 pm, therefore, there will be a \$5 per minute, per child, penalty rate charged after 5 pm.

The late bus may be available to students in the Pirate Care Program. A more detailed late bus schedule will be determined in September.

Program Goals:

- To assure parents/guardians that their children will be in a safe and healthy environment where staff will strive to meet emotional, social, and physical needs.
- To promote respect for self and others, while responsibilities and social skills are both enhanced and encouraged.
- To support a caring staff who show genuine respect for the children, have confidence in each child's potential, and seek to promote the self-esteem of each child.
