## Fire Poster Assembly

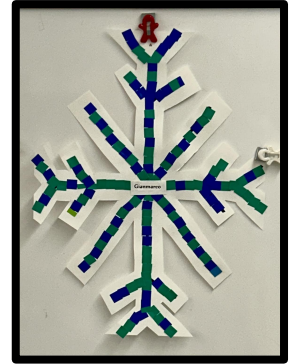

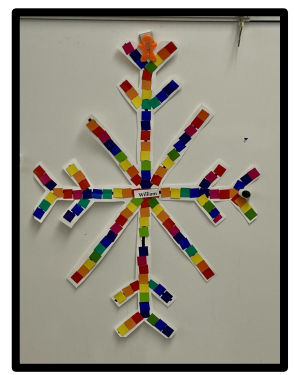

On December 11th, students at both schools celebrated the winners of the Fire Poster Contest. The artwork was created in art class and submitted to the Fire Department, where members selected one winner from each class. The winners were kept a surprise until the assembly, when classmates and families were able to cheer them on as they were announced.

**Art with Mrs. Stokes**

Mrs. Stokes' students have created beautiful and creative artwork so far this year. They are currently working on winter-themed projects that we are excited to share. Students from Preschool through 4th grade have been working hard, and it truly shows in their artwork.

## Winter Concerts

Our LLE and CRS students performed for their families during the Winter Concerts this month. Ms. Ahn worked diligently with students at both schools to prepare them for their songs and movements. At LLE, we also enjoyed a performance by the school band. Mrs. Urban has been practicing with the students since the beginning of the year, and it truly showed. Thank you to Ms. Ahn and Mrs. Urban for their dedication to the students and the performances. We also thank Mrs. Stokes for designing the backdrops and working with her art club students to prepare them.

December 19, 2025

Dear CRS and LLE Families,

The last full week of 2025 has ended. We now look ahead to another calendar year and the continuation of our academic year. While looking forward our Events Committee is constantly thinking about how to improve student life.

With that in mind we hosted our first Mandala Moment today at CRS and LLE. It was a great time for everyone to take a quiet moment, color and listen to music provided by Ms. Ahn. The mandala pages were provided by Mrs. Stokes and you can click [here](#) if you would like to do this at home.

Please read and click on the information where applicable.
