### ***Highlights from Letters to Power 88***

- I don't know what I would do without Power 88!! I love the music that you play, the summer request hour, the music block--everything. You're definitely making a difference along the Gulf Coast and around the world (on the Internet).
- Thank you so much for being on the air in Mobile, AL. I lived there for 6 years and just moved to Birmingham due to my husband's job. Your station uplifted me everyday to and from work and seemed to always have the perfect song for me. I know that God's using you. Thank you and God bless!

### ***Supporting Christian Radio***

If Christian radio has made a difference in your life and you do not have a means of helping support the station financially, there are 2 other important things you can do:
