## **What is Title 1?**

*Indian Creek Elementary is identified as a Title 1 school as part of the Every Student Succeeds Act (ESSA). Title 1 is designed to support State and local school reform efforts tied to the challenging state academic standards to improve teaching and learning for students. Title 1 programs must be based on effective means of improving student achievement and include strategies to support family engagement. All Title I schools must jointly develop with all parents and family members a written parent and family engagement policy.*

*Revised 6/06/2025*

## **School Plan for Shared Student Achievement**

### **What is it?**

*This is a plan that describes how Indian Creek Elementary will provide opportunities to improve parent engagement to support student learning. Indian Creek Elementary values the contributions and involvement of parents to establish an equal partnership for the common goal of improving student achievement. This plan describes the different ways that Indian Creek Elementary will support parent engagement and how parents can help plan and participate in activities and events to promote student learning at school and at home. The plan will be provided in English and Spanish.*

### **How is it revised?**

*Indian Creek Elementary School invited all parents to attend several meetings in the winter and spring months to review and revise this parental involvement policy, as well as the school wide plan, our school-parent compact and the parental involvement budget. Parents completed a budget survey to provide input into how the 1% would be spent. The plan is posted on our school website for parents to view and submit feedback throughout the year. All parent feedback received during the year will be used to revise the plan for the next school year. We also distribute an annual Parent Needs Survey online to ask parents for their input on revisions for the plan and the use of funds for parental involvement.*

### **Who is it for?**

*All students participating in the Title I, Part A program, and their families, are encouraged and invited to fully participate in the opportunities described in this plan. Indian Creek Elementary will provide full opportunity for the participation of parents with limited English, parents with disabilities and parents of migratory children.*

### **Where is it available?**

*At the beginning of the year, the plan is posted on the school Web site and Facebook. In addition, copies of the plan are emailed through Kinvo. Additional copies are available at the Annual Title 1 Meeting, in the Parent Resource Center, and at Indian Creek Elementary School's front office.*

### **Reservation of Funds**

*The Coffee County School District will reserve 1 percent from the total amount of Title I funds it receives in FY26 to carry out the parent and family engagement requirements listed in this policy and as described in Section 1116 of the ESSA. Furthermore, the Coffee County School District will distribute 90 percent of the amount reserved to Title I schools to support their local-level family engagement programs and activities. The district will provide clear guidance and communication to assist each Title I school in developing an adequate family engagement budget that addresses their needs assessment and parent recommendations. Each Title I school will host an annual School Improvement Forum in May for parents to provide suggestions how these family engagement funds will be used in the upcoming year at the district and school-level. Comment cards and minutes from these meetings will be reviewed by the district to determine areas of need for the upcoming school year and consider changes to the family engagement budget..*

### **School-Parent Compacts**

As part of this plan, Indian Creek Elementary and our families developed a school-parent compact, which is an agreement that parents, teachers, and students will develop explaining how parents and teachers will work together to make sure all our students reach grade level standards. The compacts are reviewed and updated annually based on feedback from parents, students, and teachers during spring revision meetings. Indian Creek will use these compacts throughout the year as an agreement to work as a team and strive for excellence in the education of our students. ## Parent and Family Engagement

Indian Creek Elementary believes that family engagement means the participation of parents and family members in regular two-way, and meaningful communication involving student academic learning and other school activities, including ensuring:

- That parents play an integral role in assisting their child's learning.
- That parents are encouraged to be actively involved in their child's education at school.
- That parents are full partners in their child's education and are included, as appropriate, in decision-making and on advisory committees to assist in the education of their child.

*Indian Creek Elementary is committed to helping our parents attend the parental activities listed in this policy. Please call or email us if you need assistance with childcare or transportation in order to participate in our programs.*

- ⇒ Share information in English and Spanish on the school website, Facebook, Peachjar, and the newsletter/calendar for parents to understand the school's academic standards and assessments as well as the ways parents can monitor their child's progress and work with educators.
- ⇒ Communicate with all families and the community on a regular basis regarding school-wide events and activities, through phone messages, social media, and flyers.
- ⇒ Work with our parents to develop relevant trainings and helpful presentations to educate our staff on the importance of parent and family engagement and how to support student learning.

### *Building Staff Capacity*

*We will provide professional learning sessions, in addition to sharing articles/videos with teachers, in how to reach out to, communicate with, and work with parents as equal partners. We will also try to help teachers understand the value and importance of parents' contributions. It is our goal to provide opportunities for teachers to build ties between home and school. We will provide teachers with resources so that all communication can be translated into a language the parents can understand. We will plan family engagement activities based upon the needs and requests of parents and students.*
