

READ THESE NOTES.

If the district is fractional, write the names of the children in each township separately under the name of the township, beginning with a separate statement must be made to the clerks of the several townships in which the district is in part situated, giving the address in that part of the district lying within their respective townships.

If there is not space on this page sufficient to contain the names of all the children in the district, write the remainder upon additional sheets. Do not use additional sheets.

The ages of the children must be given as they are on June 6, 1910.
