Dear Parent or Guardian:

We are pleased to inform you that Nordheim ISD will be implementing the Community Eligibility Provision (CEP) under the National School Lunch and School Breakfast Programs for School Year 2026-2027.

Schools qualifying to operate CEP serve breakfast and lunch to all children at no charge and eliminate the collection of meal applications for free, reduced-price, and paid student meals. This new approach reduces burdens for both families and school administrators and helps ensure that students receive nutritious meals.

NOTE: No application is required; however, Nordheim ISD is required to collect and report the socio-economic status of each student to the Texas Education Agency (TEA) for purposes of the annual state accountability ratings and for federal funding. Therefore, we appreciate your completion and return of the Socioeconomic Information Form. Your form information is not submitted to TEA.

If you need more information, please contact us at:
