AC's Corner

Greetings,

My name is Ms. LaWanda Berdin, and I will be the Academic Coach for the 2021-2022 school year! I believe that the real strength of Carver Elementary lies within the collective talent of an exceptionally well-trained faculty and the devotion of our parents. Please keep in mind that our collaboration contributes directly to the success of our children.

Carver Elementary School is such a phenomenal place to learn and grow. Together, we will strive daily to make connections with students ensuring that they feel safe, accepted, and engaged in all that we do. One of my chief goals as Academic Coach is to encourage active student engagement to create a lifetime love for learning. Partnering with the community will be especially crucial as we transition back to traditional learning. Let's make it a great year!

Sincerely,

LaWanda Berdin, Academic Coach
