

## **PAC Meeting Minutes**

February 3, 2022

4 pm via Zoom

### 1. Welcome

Members introduced themselves.

### 2. Supplement to the Annual Update

Kathy Coleman , reviewed the purpose and details of the 5 different areas in the supplement and how the district engages its educational partners on the use of funds, just like with the LCAP. The document had been previously emailed to the members with full detailed information. There were no questions regarding the annual update.

### 3. Mid-Year Report for the LCAP

The 21-22 goals, actions, and metrics are summarized in this report. This mid-year update shares what we have done and what we have spent so far within the current LCAP.

Q- Is there anything that supports academic extracurriculars?

A-Yes, elementary sites have 2 steam components for each of their classes. High School has a variety of CTE pathways.

4. Federal Addendum - 1/10/22

Previous update was January 2021, but now has to include Title IV plan. On January 10th it was taken back to the Board to include information from the LCAP surveys specifically for Title IV. Board goals are now called district goals.

21-22 update not less than 20% funds will be used to support activities that provide well-rounded education such as outdoor education, college and career guidance and/or science and math family nights, etc. Not less than 20% of funds will be used to support safe and healthy students and part of the funds will be used for technology to improve academic achievement.

5. Other:

a. Registration- March 8th, Park View Elementary, 4-7 p.m. For TK, kindergarten and all other grades. Registration for the first window continues at all schools through 4PM March 11th..
