Public Schools
website!

Meet our principal, Mrs. Sauve, and assistant principal, Ms. Brown. The front office is where our office staff, Mrs. Crowley and Mr. Seamster can help you.

Our school has a main entrance.
It is important to be at school
every day from 8:40 a.m. to 3:40
p.m., because Kindergarten
matters!

Here are a few books to build
excitement for the first day of
Kindergarten!

Back to School Tips

- ♥ Read at home with your family.
- ♥ Practice opening your lunchbox and food wrappers independently.
- ♥ Practice using the bathroom independently and washing your hands.
- ♥ Come visit our playground this summer!

**We are so
excited to
meet you!**

You will have your own cubby in your classroom. This is where you will keep your belongings while you are at school.

You will spend time in your Kindergarten classroom learning, building, developing, and creating friendships.

CAMP

The first days of Kindergarten will be called Kindergarten Camp. This will be a chance for you to meet all the teachers, see all the classrooms, and meet new friends. When Kindergarten Camp is finished, you'll be assigned to a classroom where you'll spend the rest of the school year learning and having fun.

We have areas at our school for buses to drop off and pick up students. Parents may drop off and pick up students at the main entrance.

This is the school playground, where we learn social skills, teamwork, and build confidence.

Our school has a cafeteria where you will eat with your Kindergarten class. Adults will be available to help you during lunch. You can order a school lunch or bring your own lunch from home.

Our school has a library. Reading is a very important part of Kindergarten.

This is the music room where you will express yourself through music and movement.

This is the school gym where you will learn how to cooperate with others through active learning experiences.

This is the art room where you will create with different materials.

You will also have an opportunity to learn about a world language.
