10 August 2021

Dear Pineville Family,

We are so glad to be back in school and learning together! As you might have heard, Governor Beshear has issued an executive order that requires all persons on school campuses to wear a mask while indoors or on a bus. That order includes all students, Pre-K through 12th grade, faculty and staff, and visitors to the campus.

We look forward to having you in the building tomorrow, but things will look a little different. While this may be difficult for the first few days, we know that our students learn better in person, and we are grateful for the opportunity to have our students in our building.

Please work with us and know that we will try our best to do what we can to continue to have school and keep learning going. We appreciate the opportunity to serve you and your family. Please continue to keep an eye on our website and Facebook page for updates.

If you have any questions, please feel free to reach out at 606-337-5701

Sincerely,

Russell Thompson, Superintendent
