

SCHOOL BOARD WORK SESSIONS

The school board, as a decision making body, is confronted with a continuing flow of problems, issues, and needs which ultimately require action. While the board is determined to expedite its business, it is also mindful of the importance of planning, brainstorming, and thoughtful discussion without action.

Therefore, the school board may schedule work sessions from time to time in order to provide its members and the administrative staff with just such opportunities. Topics for discussion and study will be announced publicly, and work sessions will be conducted in accordance with the state statutes on public meetings (RSA 91).
