

RFP Questions and Answers: Security Cameras and Exterior Door Access Control System

Will a site map or floor plan be provided, or will site visits be allowed during the proposal window?

Yes, site visits will be allowed and are encouraged. We can also provide a facility map, if needed. To arrange a site visit, contact Tyler Stone at tstone@furlowcharter.org.

Also, could you confirm which VMS system you guys are currently using?

Technically, the full name of the VMS is Avigilon Control Center 7.
