['Run With Christ': GenZ Run Club Put the Focus on Jesus, Grows Into Revival-Type Movement.](#)

A Gen-Z-led group called "Run with Christ" is literally taking off. What started in Columbus, Ohio, last year is now in more than 80 cities nationwide and five countries. Each week, tens of thousands of young people gather to run, worship, and hear the Gospel in cities all over the world.

['Witchcraft Killed My Dad': Ex-Witch's Horrific Journey Out of Terror to Christ](#)

Julie Lopez says she was walking in "darkness" until her father's horrific suicide snapped her and her family out of generations of witchcraft and into relationships with Jesus.

"I basically come from five generations of [witchcraft]," she recently told CBN's Faithwire. "I think it actually goes [further back], but ... it ends in me. I cut that generational curse."

[A new report on religious freedom](#)

[\(SRN NEWS\)](#)- It's the annual offering of Aid To The Church In Need and it finds that nearly two-thirds of the people on earth are suffering from restrictions on their religious liberty. 5.4 billion people living in 62 nations are either persecuted for their faith or suffer discrimination because of it. The report concludes that the two primary drivers of religious persecution are authoritarian regimes and Muslim terrorism. It also reports that anti-Semitism is up all around the globe.

[Wisconsin considers killing a tax provision](#)

[\(SRN NEWS\)](#)-The reason the state might get rid of the unemployment tax exemption is to prevent religious businesses from gaining access to it. The U.S. Supreme Court has ruled that states cannot block churches and ministries from accessing such programs if they allows secular businesses to use

them. Now Wisconsin Attorney General Josh Kaul is calling for the elimination of the exemption for ALL state employers rather than let Christian and other faith-based businesses use it.

[7,000 Students 'Encounter Jesus in Powerful Ways' At UniteUS Grand Canyon University: 'Revival Is Here'](#)

Leaders and organizers of the UniteUS movement say they saw "lives changed, hearts surrendered, and students encounter Jesus in powerful ways"

while sharing the Gospel at Grand Canyon University Tuesday night.

Nearly 7,000 students filled Global Credit Union Arena in Phoenix, Arizona, to worship Jesus, hear the Gospel, and have their lives transformed by the love of God, UniteUS reports.

['From South Carolina to the Ends of the Earth': Gospel Crusade Sees Hundreds of Lives Changed](#)

A campaign to bring the gospel to cities in upstate South Carolina is headed for the state's capital. Evangelist Jacob Ebersole's World Harvest Ministry will

hold a crusade in Columbia, South Carolina, this weekend, October 24th through October 26th.

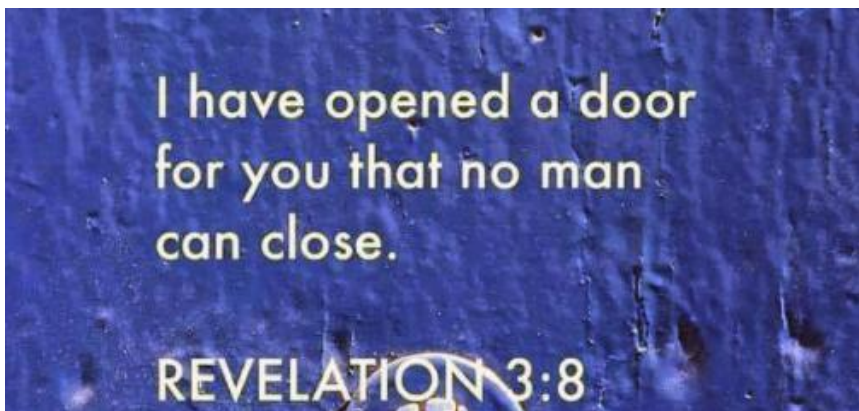

Churches across the city are coming together to take part and support the outreach.

Ebersole is still flying high after their recent crusade in Spartanburg, South Carolina.
