Camp Features

Welcome everyone to our annual Burns High School Youth Football Camp! At this camp the Burns High School Football players will be coaching! We are going to be working on offensive, defensive, and special teams fundamentals for our youth as well as having a great time. Outside of the skill development, participants will compete in a punt, pass, and kick competition as well as work in teams to prepare for the final day of game play!

The Burns Hilander Football Coaching Staff will also be working at the camp in a supervisory role. We are looking forward to working with each of the future Hilander Football players, and hope that you will join us for some fun and football!
