**Announcement of Gadsden County School District's  
2024-2025 School-Related Employee of the Year (SREOY)**

The Family & Community Engagement Office is thrilled to announce Gadsden County School District's 2024-2025 School-Related Employee of the Year. Through a peer-voted process, 14 representatives were selected to represent their respective schools, and through the district's scoring process, the Top 3 received interviews for the distinguished honor. All these individuals have shown tremendous exceptional dedication and commitment to the quality of education in Gadsden County School District, however there could only be one winner.

We are pleased to announce that **Mr. Nickolas Bittle**, the Information Technology Coordinator at Crossroad Academy Charter School, has been selected to serve as the district's School-Related Employee of the Year for the 2024-2025 school year. With this accomplishment, Mr. Bittle will go forward to represent the Gadsden County School District at the Florida School-Related Employee of the Year competition. This honor is a testament to the outstanding education support Mr. Bittle provides to our schools and communities. His hard work is commendable, and we are proud to celebrate him for his service!

Respectfully submitted,
