Facility Projects & Maintenance

Main Entrance

Tiling and paint has been completed in Main Entrance. Work now transitions to ceiling tile and door installation to painting. The Science room is very near completion with only ceiling tile and cabinet/shelving installation in the converted science storage room remaining. We are currently on pace to meet our August 1st goal for project completion.

Library (7:12)

Paint in the library is finished. Work now moves to cabinet/shelving design and manufacturing, furniture selection and purchase, and final electrical install. We are currently on pace to meet our June 1st goal for project completion.

Football Field Lights

Sheridan Electric has yet to receive payment for \$48,803.55 due in January for acquired materials.

School District Audit

Denning, Downey, & Associates have nearly completed our audits for FY 21 ,22, & 23, This will bring the District back into compliance with state regulations that require annual self-audits from school districts. We anticipate some corrective recommendations and suggestions for improvement in the audit findings. The District Office staff and I will work to address any correction necessary and implement reasonable suggestions in order to ensure commendable audit findings for FY 24 and beyond.
