Dear Parent or Guardian:

Hearing and Vision are very important to a child's ability to listen, to learn, and to progress satisfactorily in school. For this reason, your child's school takes a special interest in hearing and vision ability of all students.

Screenings help us to find those students who need to be referred for complete professional exams. Should your child have difficulty with hearing or vision, he/she will be rescreened and you will be notified.

If you have any questions pertaining to your child's school Hearing/Vision Screening Program, please contact us.

**IF YOU DO NOT WANT YOUR CHILD SCREENED, PLEASE CHECK AND SIGN BELOW AND RETURN THIS FORM AS SOON AS POSSIBLE.**

Sincerely,

School Nurse
