MONTEAGLE ELEMENTARY

2024-2025 YEAR IN REVIEW

24-25 RECAP

The 24-25 school year has been a remarkable success, marked by growth, achievement, and community spirit. Students excelled both academically and personally, supported by dedicated staff and engaging programs. From outstanding performances in academics and athletics to creative accomplishments in the arts, our school community thrived. We strengthened connections through events, service projects, and family involvement. It has truly been a year of progress, pride, and shared celebration!

Students across all grade levels demonstrated significant growth on ELA and Math that ranged anywhere from 4-20% in the MVPA which serves as a precursor to TCAP and assess state standards
