## Dedication

We, the members of the Senior Class of 1966, wish to express our appreciation and gratitude to the Local Board of Trustees. Although we do not realize that they are working quietly "behind the scenes", our Board is at the head of the administrative functions of Central High School.

Because of their devotion to our school, we desire to dedicate to them The 1966 Leonine.

# We, the Annual Staff, Wish to Honor . . .

. . . the teacher whose excellences have inspired her students to new horizons.

. . . the teacher whose knowledge of and instruction in the extracurricular school activities - such as the Senior play, one-act play, Student Council, cheerleading, and Graduation exercises - make them a constant success.

We honor her because she is Linda Patrick, Miss Patrick, who has taught English and Spanish at Central since 1963, was named Star Teacher of 1966. She fascinates the students she teaches and has the admiration of everyone.

To Miss Patrick, we bestow this honor.

. . . Linda Patrick

# Principal's Message

MAY WE KEEP OUR GOALS HIGH

We should be encouraged by the progress of the past. Many people, including you, have paid the price to make our opportunities possible, and they are many.

May we forever strive to make Central High School a place where students can develop in their interests and abilities to their highest potential.

May our thoughts, actions, and deeds always bring honor to ourselves, our families, our school, and our community.

It has been said "Life's victories don't always go to the stronger or faster man; but sooner or later the man who wins is the man who thinks he can."

# 1966 Leonine Staff

G. F. LEDBETTER, Advisor

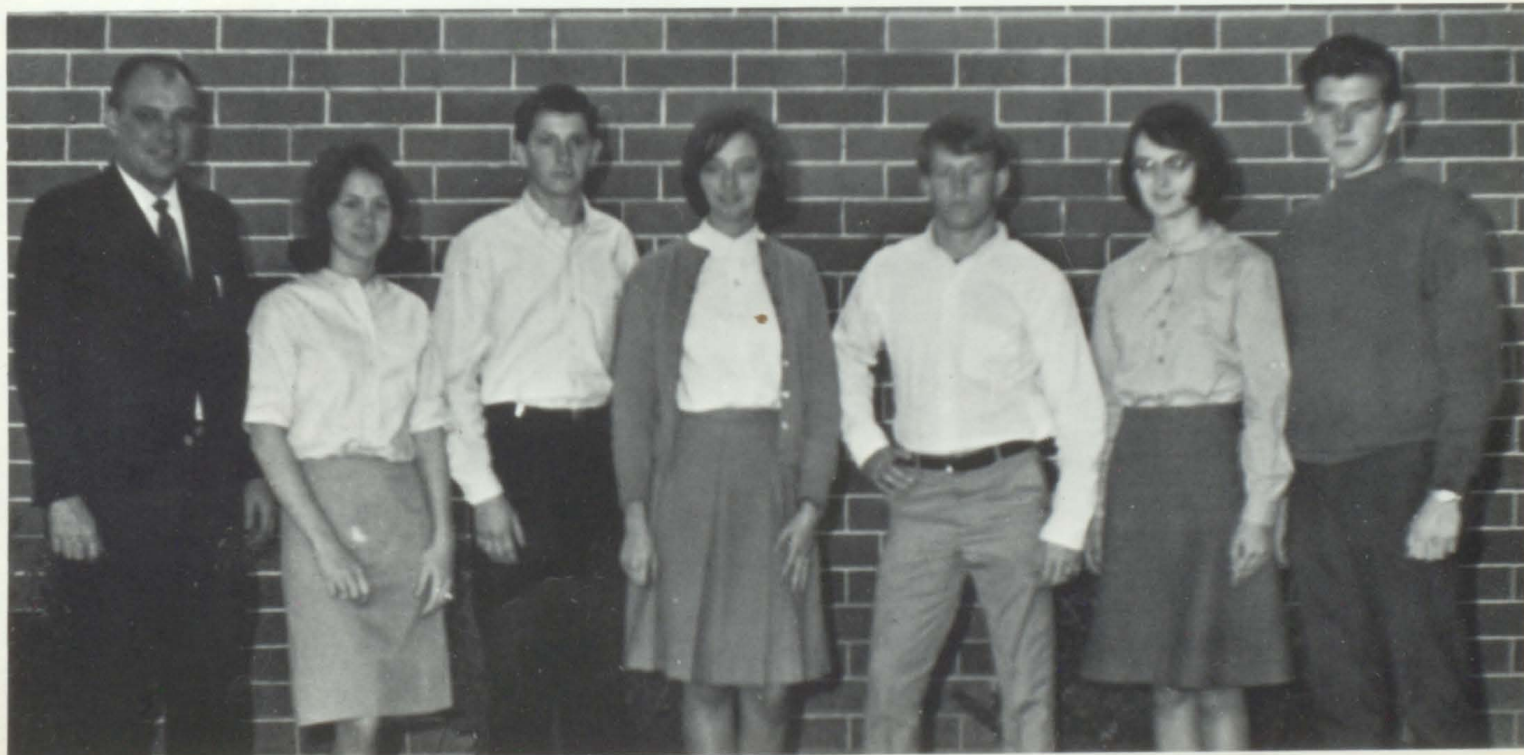

## We Edit Our Annual

The Leonine is a partial record of events and achievements at Central as kept by its students. The over-all record could not possibly be presented in its entirety on 136 pages, but each page may be regarded as a segment of school activity.

As a record of past and current achievement, The Leonine plays its part in inspiring and encouraging our students to face fearlessly and capably the wonders and challenges of the future.

We hope that in the years to come this yearbook will help to keep alive the memories gathered during the year of 1965-66.

## Lions Fight Back for Win Over McEachern

By Ralph Parkman  
Sports Editor

Central High football Lions brought a 37 game losing streak to a scorching halt in McEachern Friday as they came from behind to defeat the Indians, one-time winners in '65, by a score of 20 to 13.

Central High fans were just to celebrate the fruits of their victory. The Lions were in late October of 1965 when they defeated Lumpkin, a varsity opponent, in a comeback game on the Milton High football field. The celebration, coming at a time when Central fans were just to adjust to the new team, didn't come close to the victory displayed by the Lions in McEachern Friday night.

The Lions fought back in the second half with every intention of winning the football game. Around midway the third period, the Lions started a long sustained march that made it possible for Cowie to score this late in the game.

Johnny Johnson, a 173 pounder, drove off-tackle for 10 yards. Quarterback Kit Johnson tried to run across the field but was stopped short by six, refused to let his spirits be dampened as the game entered an early second quarter that ended in the Lions' favor.

Quarterback J. E. Cowie was the Lion hero on this Friday night march as he led the team to a 20-13 victory. The game ended on a rollout play that gave the Lions 10 yards to pay dirt. He finished with 175 yards and two touchdowns.

Coach David McInturff, who was asked to single out the outstanding Central players in this win, stated that they were all outstanding. "This wasn't the same Central football team that I have seen play for the last year and a half — they wanted to win and would stop trying," stated the Lions' coach.

Though it was always believed that a victory would really stop the losing streak, the Lions' win was a real breakthrough.

The Lions had the fight of their lives for the final half and a half quarters, but they weathered the storm and won the game.

The first part of the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that every entry, no matter how small, should be documented to ensure transparency and accountability. This is particularly crucial in financial reporting, where even minor discrepancies can lead to significant errors in the overall balance sheet.

Furthermore, the document highlights the need for regular audits and reconciliations. By comparing internal records with external statements, such as bank statements, organizations can identify and correct any inconsistencies promptly. This practice not only helps in preventing fraud but also ensures that the financial data remains reliable and up-to-date.

In addition, the document provides guidelines on how to handle complex transactions and adjustments. It suggests using clear, descriptive language and providing supporting documentation for all entries. This approach helps in maintaining a clear audit trail and facilitates the review process by auditors and management alike.

Overall, the document serves as a comprehensive guide for anyone involved in financial record-keeping. It offers practical advice and best practices that can help organizations maintain accurate and reliable financial records, which are essential for informed decision-making and long-term success.
