

6th Grade Math Syllabus

Marbury Middle School

2022-2023

Mrs. Bell

WELCOME!

I'm so excited to have your child in my class this year! I hope to make this year successful and exciting for all of your students. While I hope your child can be successful on their own, I also want to communicate with parents, and keep you informed. Below is my contact information if you need to reach me.

Danielle Bell

Email: danielle.bell@acboe.net

I will be available to communicate during school hours.

COUNTY GRADING CRITERIA

I will follow Autauga County's math grading system. Your child's 9 weeks math grade will be determined by the following:

40% Minor Grades: Bellringers, Homework, Daily Grades, In-class Activities

60% Major Grades: Unit Tests, Projects & Presentations

GRADES

I try my best to put grades in the same day the assignments are given back to me. If you are checking your child's grades through PowerSchool and haven't seen their scores within a week, PLEASE email me. I won't send home graded assignments UNLESS requested, then I will send home a copy of the assignment.

HOMEWORK

I will provide your child with the tools and information necessary to complete assignments. If time allows, I will allow class time to work on assignments, otherwise, it is to be completed at home. Homework assignments are due the following class meeting. The assignments will be posted in the classroom, as well as online.

MAKE-UP WORK

ALL MAKE-UP WORK IS DUE **THREE DAYS** AFTER THE ABSENCE unless the student was out for several days. In that case, we will work together to get the assignments completed in a timely manner. Each student is responsible for getting any make-up work from the teacher and turning it back in. Make-up work that is not returned in the given time period will be a zero.

DAILY NEEDS: Math binder, paper, pencil, highlighter
