Sharing Our Gratitude

November is the perfect time to express our heartfelt thanks to everyone who makes our school family so special. We are incredibly grateful for our dedicated teachers and staff, hardworking students, and supportive parents. Your partnership is what allows our school community to thrive.

As we head into the holiday season, we wish you all a month filled with warmth, rest, and time spent with loved ones.

Our mission is to guarantee that every student achieves high levels of learning and development.

Congratulations to Team 46390B!

We're so proud of our elementary VEX IQ robotics team, who brought home the Excellence Award at last weekend's competition in North Judson!

The Excellence Award is the highest honor at a VEX IQ event, recognizing a team that excels in every area: robot performance, design, engineering notebook, teamwork, and interviews.

A huge shout-out to our amazing team members:

⭐ Greta Kaiser
⭐ Max Kaiser
⭐ Bentley McMahan
⭐ Cora McMahan
⭐ Dylan Pete

With this win, Team 46390B has qualified for the State Tournament in March at Lucas Oil Stadium! We can't wait to see what they do next!

Wishing Our Lady Tigers a Great Basketball Season!

As our girls take the court for another exciting season, we want to wish our players and coaches the very best! May this season be filled with teamwork, determination, growth, and plenty of great memories.

We're proud of our Lady Tigers and can't wait to cheer them on throughout the season! Play hard, have fun, and make us proud!

GO LADY TIGERS!

VISION SCREENING

Vision is important to your child's ability to learn and progress at school. Indiana state law requires schools to screen students in grades kindergarten or first, third, fifth, and eighth. Vision screening will take place on Thursday, 11/19/26.

Vision screening is a very simple procedure and will take only a few minutes. If you do not want your child to participate in a vision screening, please contact the school nurse at the information below.

No report will be sent home if your child passes the vision screening. If the screening results indicate your child may have a vision problem, the results will be shared with you. If you have any questions about the vision screening process or wish to talk with school personnel, please contact:
