Send to the attention of:

Director of Finance
204 Betsy Pack Drive
Jasper, TN 37347

EXHIBIT A

TERMITE CONTROL:	Vendor must submit a program to adequately inspect and treat all sites for termite control. A minimum annual inspection and service must be performed.
PEST CONTROL:	Vendor will submit a program to adequately inspect and treat all sites for pest control. A minimum monthly inspection and service must be performed. Service is to control rats, mice, roaches, waterbugs, bedbugs, ants, silverfish, earwigs, spiders, crickets, grasshoppers, bees, wasps, yellow jackets, etc. Vendor must specify pricing if "call-backs" or "special treatment" require additional payment (see Pest Control-Special Treatment).
VALIDATION OF SERVICE:	Services must be validated monthly by the school principal or his/her designee. The validated slip must be submitted with the monthly invoice to the central office.
SCHOOL GROUNDS:	Service is required to all areas of the school campus. Limitations must be noted if any area of the campus is not covered. Pricing must be shown separately for cafeteria areas.
STATE REGULATIONS:	Vendor must satisfy all federal, state, and local licensure and certification requirements.
