The Principal's Corner

Greetings Lemasters Community,

Happy New Year! I would like to start the new year by simply recognizing our LIONS for the outstanding hard work and cooperation they had displayed the first half of the year. We will continue this journey in 2022 despite the continuous changes that we face daily.

As we navigate through the pandemic and for the safety of our staff and scholars, **please keep your child at home and notify the school** if your child is experiencing Covid-like symptoms.

School begins at 8:05 and dismissal is at 3:05 pm.

Thank you again for allowing the staff at Lemasters and myself to work with your child (ren).

Sincerely,

Travis L. Brown Jr., Principal

Why become a Student Council Member 3rd-5th Grade

Students in grades 3rd through 5th can participate in Student Council. An election assembly will be held on February 3rd where candidates make campaign posters and give speeches. Elected members will serve as the classroom's President, Vice President, Secretary, Public Relations Officer, and Spirit Commissioner, for the 3rd through 5th grade. Meetings will be held every other Wednesday after school from 3pm to 4:30pm for elected members only starting February 9th. No transportation will be provided for this program.

Purpose of Student Council

To give students a voice for ideas related to decision making and school improvement. To give back through participation in service projects. To learn and practice leadership skills. To show pride and commitment to their school and community.

Why is it important?

The Student Council program **promotes a sense of community within school** and is used to support and develop citizenship. It encourages teamwork and helps to improve speaking and listening skills. Student council is in place so that scholars have a voice and are involved in decisions about the school that affect them.
