

September 2026

DISCOVERY REGIONAL HIGH SCHOOL

TIFTON SITE

**2802 Moore Highway,
Tifton, GA 31793**

The Tifton Site opened its doors on September 8th, 2026. Since opening its doors, Tifton has welcomed fourteen new students with interest from many more. Tifton hosted an open house on September 24th, and had a beautiful turnout from current and prospective students and families. Furthermore, the Tifton site is currently planning a “Pizza and Progress” event on October 6th to celebrate the amazing students who are working diligently each day.

Below, find a picture of our amazing staff that are here to support and cheer on all students that walk through the doors!
