

ODEM INTERMEDIATE SCHOOL NEWSLETTER

OIS Mission:

To unite our school and community by communicating, establishing routines, promoting positive parent involvement in an academically enriched and safe environment.

Principal's Notes: Thank you for a successful 2024-2025 school year. With your partnership our students have made academic strides and have shown improvement. We are proud of their efforts and the teachers who have prepared them. Our teachers worked diligently this year to ensure that your child is armed with the knowledge and skills needed to be successful in the 25-26 school year. It was not a feat completed on their own. Thank you for your support at home whether it was encouraging your child to read daily, practice math facts, complete homework, or require that they work on iReady. Like always, we value your partnership and we hope everyone has a safe and enjoyable summer!
