

## A little about me:

My name is Shayla Kent and I will be your child's preschool teacher. This will be my seventh year at Hudson Park elementary and my fifth year working at Rainier Preschool. Early Childhood Education is my passion. From a very young age, I knew I wanted to do something that helped children. When I am not teaching, I am a wife, mom of three kiddos, and a grandma to a one year old little boy. I live on a small farm with horses, cows, three dogs, and two cats. We even have pigs sometimes, but boy they are messy. I love the outdoors and spending time with my family and friends. Oh and coffee, I love a good cup of coffee!

2:15-2:45 wash hands, snack, dismissal

### Education

I have completed my Early Childhood Education trainings through the Early Learning Division.

### Philosophy on Education

I believe that the best learning comes from play and in an environment children can feel safe and cared for. In this, they will become confident, build strong relationships all while learning the educational basics.
