

Authenticated User Access to the Paris Independent Wireless Network.

The Paris Independent School District provides free wireless network access to our students and staff members. All devices which use our wireless network must be registered online.

The ***Authenticated User Access*** which lasts for 300 days and requires that an appropriate BYOD (Bring Your Own Device) inclusive AUA (Acceptable Use Agreement) be on file at your school.

If you have not turned in the appropriate paperwork please use guest access. The appropriate paperwork can be acquired from the district office.

All network traffic on the district's network, both wireless and hard wired, is routed through an Internet Filter which tracks usage and blocks websites considered inappropriate as well as many private and free e-mail sites.

Individuals using our wireless network are expected to use this opportunity appropriately. You are expected to be respectful of others and to practice responsible and appropriate digital citizenship while using our network. If you are not sure what "appropriate and responsible digital citizenship" means please visit: http://digitalcitizenship.net/Nine_Elements.html.

Connecting to the Paris Independent BYOD Wireless Network

- On your personally owned device that displays available networks select the Paris_Public Network
- You will be taken to a screen which says "Paris Independent Schools" and given a link which says "Please click here to connect to the network", click that link.
- At the welcome screen go to "Student & Staff Login" and use either of the two following Username schemes:
(ex. Full Name John Doe Username could be jdoe or john.doe) and the password you use to login to Google
- After you have registered you will be taken to a "Welcome to the Network" screen where you must click the check mark in the "I agree to the Acceptable Use Policy"* section then click "Complete Registration."
- It will take a few moments for the device to connect and register. After the registration is completed you may be redirected to the Paris Independent Schools Home Page.

You may connect 3 personally owned devices to the wireless network in this way. Please e-mail kelly.vice@paris.kyschools.us from your school e-mail account if you need to unregister a device.

The Paris City Schools and its staff are in no way responsible for any personal devices brought onto our campus or any activities conducted from those devices.
