### Principal's Weekly Update 9-5-22

**Good afternoon parents and students**, this week's message is pretty brief. It seems like the classes are now in full swing and the school, as a whole, is running smoothly. I have had several teachers tell me this fall's students seem to be back to more of a "pre-COVID normal", versus the struggles students and staff experienced last fall adjusting back to on campus schooling. With the beginning of the year activities pretty much out of the way, we now go into the longest uninterrupted stretch of school days of the year. As always, I should remind students to work hard during this time as it is a significant portion of the entire school year. I would also caution students to pace themselves through this long stretch and avoid taking on too many things. As a school, I really like where we are for early September. With so many of the COVID-related distractions removed, we look forward to placing student achievement at the very top of our priorities. We have a good plan and look forward to seeing student achievement data reflect the positive things we are doing at SMHS. If we continue to work together for all our students, I have no doubt we are going to have a great year.

Sincerely,

(Steve Campbell, Principal SMHS)

#### Important Items and Reminders:

---

- 9/7 Intruder on Campus training – *(teachers and students will review a video and discuss necessary actions in case of an intruder/active shooter on campus. It saddens us that we need to prepare for such situations, but students are far safer with a rehearsed plan than without.)*
- 9/12 School Site Council mtg. 6:00pm via zoom
- 9/13 School Board mtg – 6:30pm at district office board meeting
- 9/14 Cafecito/ELAC - 6:00pm in cafeteria *(this is a great opportunity to hear prepared information about activities at SMHS as well as have an informal conversation with the school's principal and administrative team.)*
