It is time to sign up for a conference to update your child's individual goals. I will have a sign up sheet next to the tablet on the cubbies. If the times I have down do not work for you, please let me know and we will work out a time that does.

Nutrition

We will be making hummus and fruit/cheese kabobs in class this month.

I have also attached an iron rich recipe you can make at home with your children

Class Focus

WE will be focusing on cooperative play and days of the week in the classroom for the next couple months. Thank you to the parents who came to the last parent meeting and chose these areas to focus on. We are learning a days of the week song and practicing fair ways to play.
