## Pumpkin Patch Field Trip Friday-10/23/26

All of our students will be going to the Goodrich Pumpkin Patch this year. Parents/Guardians and younger siblings are invited to join! The Booster Club will pay for younger siblings and parents/guardians are free. Parents/Guardians should meet us at the Goodrich Pumpkin Patch at 1:00 p.m. 513 Goodrich Rd, Centralia, WA 98531

## Good News Club Will Begin Thursday, October 16, 2025

The Good News Club is an after school program sponsored by Child Evangelism Fellowship of Washington, Inc. The GNC will be held every Thursday after school from 3:00pm - 4:00 pm. All students who attend must be picked up by 4:00 pm from the school office. Good News Club permission slips are being sent home with your student(s) today. They must be filled out and returned if you want your student to attend the after school program. Once we have a permission form on file for your student(s) we will assume they will attend the club each week and we won't put them on the bus or in the pick up line. Please call the office if your student will NOT be attending on a certain day.

## TTK - 2nd Grade September Student of the Month: Isla H.

It is important to begin a new school year recognizing strong student role models. There are few learners who epitomize leadership, strong character, work ethic, and intelligence more than Isla Hauck. Isla is an earnest learner who is always listening and thinking. She is quick to apply new information to solve problems and grow her brain. She is respectful, responsible, and kind. It is with great pleasure that I name her the first Student of the Month for the 2026-2027 school year!

**Way to go, Isla!!**

## 3rd - 6th Grade September Student of the Month: Zuriah Hardenbrook

Zuriah is our Student of the Month! Over the past month, she has shown a strong commitment to reading and has consistently taken her AR tests. Her effort has paid off, and she currently leads the class in AR. She also completes her independent work consistently and takes responsibility for her learning by asking for clarification when she needs it, correcting mistakes instead of ignoring them, and following through on the work she is expected to complete.

**Nice work, Zuriah!!**

## TTK and Kindergarten

Mrs. Tinnin

Kindergarten students have begun learning letter sounds as part of their early literacy development. For each letter introduced, students practice writing the letter, learn the corresponding ASL hand sign, and engage in a fun letter chant to reinforce the sound. This week, we are focusing on the letters m, a, t, and d.

In math, students are learning to count and write numbers 6 through 9, as well as identifying number pairs that add up to each number.

TK students are developing critical thinking skills by identifying objects that belong together. They began by matching items that are exactly the same, then moved on to those that are similar, and are now working on items that go together—such as a crayon and paper. In math, TK students are also working with numbers 1 through 5, building a strong numerical foundation.

During daily circle time, all students participate in calendar activities. They are learning the months of the year, days of the week, and are practicing counting the days. This month, we've also introduced the concept of patterns, which students are beginning to explore through songs, visuals, and interactive activities.

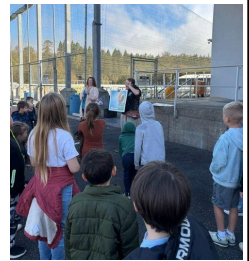

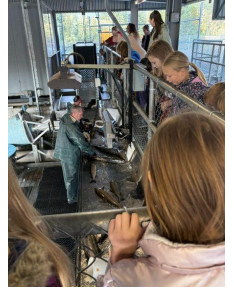

## First and Second Grade Explorers

Mrs. Mittge

Thank you Booster Club for all of the shirts! We love them! We also had a BLAST Fund-Running!

We also had a “fin”tastic time at the Cowlitz Fish Hatchery! We were allowed to get splashed and touch the salmon as they were being sorted on the floor with the professionals! We learned about the salmon life cycle and fed the babies! They sure were jumpy! We saw a great blue heron, a bald eagle, and an osprey as they waited to feast on the returning fish. We also watched hatchery staff process the fish for spawning. 1.7 million salmon are released by the hatchery every year! Fascinating!

We are looking forward to our field trip to the pumpkin patch at the end of the month and the Centralia Discover! Hands On Museum in November!

## Third and Fourth Grade Classroom

Mrs. Mars

Students spent time this week learning about some of Washington's earliest entrepreneurs. They were then assigned an entrepreneur of their own to research and create a powerpoint about.

As a class we continue to practice our basic multiplication facts daily. The memorization of these facts is essential to a student's future success in math. We practice these skills through a variety of methods including daily timed tests, and games. Practicing facts with your child for even a minute or two a night can have a huge impact!

Thank you to everyone who supported the Evaline Booster's Fund Run Friday. The kids had an absolute blast and the Booster earned some money that they will use to continue to support our students!

## Fifth and Sixth Grade Classroom

Mr. Burlingame

We have been busy with lots of learning in 5th and 6th grade! Students recently finished their African country slide projects and had the opportunity to present what they learned to the class.

In science, we are studying Earth's water systems, while in ELA we are continuing our work with Greek mythology as we get ready to begin *Percy Jackson*.

In math, 5th grade students are working on long division with multi-digit numbers, and 6th grade students have started learning about integers and working with positive and negative numbers. It has been great to see students making connections across subjects and continuing to build their skills.

## Evaline Lions Back-to-School Fund Run

### Evaline Booster Club Fund Run Success!

A HUGE thank-you to everyone who helped make our **Back-to-School Fund Run a wonderful success!** Our Evaline Lions had a fantastic time running, dancing, skipping, and walking their way around the track while showing off their Lion Pride! It was so much fun to see our students giving it their all, cheering each other on, and enjoying this special event together.

A special thank-you to our **Evaline Booster Club** for organizing and supporting this fundraiser and for everything they do to make our school year extra special! The funds raised help provide our students with so many wonderful opportunities throughout the year, including student T-shirts, water bottles, swimming lessons, graduation gifts, our year-end BBQ, holiday celebrations, and so much more.

We would also like to thank all of our **students for participating, our families for collecting pledges and supporting the fundraiser, and everyone who came out to cheer on our Lions!** Your generosity, encouragement, and support make a big difference in our school community.

We are so proud of our students and grateful to be part of such a supportive community. Thank you for helping make this year's Fund Run such a fun and successful event!

**Way to go, Lions! Thank you for showing your Evaline Lion Pride!**

# CANDY FOR THE FALL FESTIVAL PARTY

The Booster Club is asking each family to donate one bag of individually wrapped candies or a bag of small prizes for the party on October 30th. Please drop items off at the school office no later than Friday, October 23rd.

For questions please contact: [evalineboosterclub@gmail.com](mailto:evalineboosterclub@gmail.com)

# FALL FESTIVAL PARTY

The Booster Club will put on a Fall Festival party on Friday, October 30th during school hours. Students are encouraged to dress up. All students will have an opportunity to play carnival games and do a craft. There will also be a costume contest and a pumpkin carving/decorating contest. The party will begin shortly after 8:30. Pre-school students and parents/guardians are encouraged to dress up and join us. **School will dismiss at 11:30.**

## Costumes

Please make sure costumes are in good taste: **No blood, knives/weapons, or scary masks.. etc.**

Prizes will be awarded to preschoolers and students in each grade for the best costume.

## Pumpkin Carving Contest

All students can work with or without a parent/guardian's help to create a masterpiece. Due to limited space and number of pumpkins, we will be doing the pumpkin judging in the bus garage. **You can take your pumpkin(s) directly to the bus garage before school on Friday, Oct. 30th.**

Prizes will be awarded in the following pumpkin categories:

1. Funniest
2. Scariest
3. Cutest
4. Best Non-Carved
5. Open Class - Dream up one you think would be a prize winner.
6. Best Student Solo (no parent help)
7. Sweetest
8. Most Clever

**Please don't carve or decorate pumpkins in poor taste: Blood, knives, etc will be disqualified.** The judges will decide the category in which each pumpkin will be judged. This can be a family project. Students can have mom, dad, sister, brother, etc. help carve and decorate your pumpkin. (Except for the Best Student Solo Pumpkin) If your beautiful pumpkin needs a candle to show the full effect, put the candle inside the pumpkin and the judges will light it. Please take pumpkins home at the end of the party. Any pumpkins left after the party will be thrown out.

**The Booster Club is looking for volunteers to help make this fun event possible!**

**If you're able to lend a hand, please reach out to the Booster Club at**

**[evalineboosterclub@gmail.com](mailto:evalineboosterclub@gmail.com) Your support is greatly appreciated—THANK YOU!**
