

New Website

One of the district goals for this school year was to update and provide a better experience for those visiting our website. You will notice some big changes in the website. First, there is now a district site and a school site. The web address for the

District Site

<https://district.dietrichschools.org/>

The school site is

<https://www.dietrichschools.org/>

There is a lot of information on both sites and it is still a work in progress. If you would like something added to the site as a community member or parent please email me at stefanies@dietrichschools.org or come visit with me at the school. My door is always open to the public. I will work on getting items you would like added to the websites as quickly as possible. Emails for all staff have been added to the sites. District staff will be located on the district site. Teachers and Para are located on the School Site.

New Procedure for Illness

Covid has caused continual changes for all of us.

As a district we have decided to make a few changes to students and staff who have been exposed to covid.

- First and foremost if your student is sick please keep them home until they are symptom free.
- If someone in your home has tested positive for covid we are asking that you send your student to school unless they test positive or they have illness symptoms.
- It is important to have our students at school learning unless they are sick.

Kindness Week February 21-24

Activities

Monday -Secret Service Assembly

Tuesday - Why I Love Dietrich

Wednesday- Secret Messages

Thursday Class Color Day and SB Picture

6th & 12th grade Red.

Feb 15-16, 21,23-24 BBB Varsity
Tournaments

Feb 17-19 GBB State Tournaments

Feb 22 Regular Board Meeting 7:30 PM

ALICE TRAINING WITH ALL STAFF

Friday, January 21st the district brought in a certified ALICE trainer as part of our safety plan. ALICE stands for Alert Lockdown Inform Counter Evacuate. All staff in attendance were trained on the ALICE Active Shooter response system. Staff learned a lot in this training about how to keep our students as safe as possible in the case of an active shooter. More training will occur in the next several months with staff. Once the staff is fully trained we will begin training students. More information on ALICE will be made available to parents once staff is fully trained.
