C. Reports

a. Superintendent's Report

Dr. Whitfield reports well attended summer camp sessions and campus tours, with prospective families showing continued interest in the school and the unique environment at Treetops. The addition of pre-kindergarten is also showing a lot of promise in terms of increasing enrollment numbers. It was noted that access to nature on campus provides a unique student experience that Dr. Whitfield plans to continue to lean into, including positioning as an agricultural education opportunity. The search for additional grants and opportunities to fund operational costs continues.

b. Finance

Stephanie reports continued efforts to catch up on payments owed after the decreased state funding this past spring. While efforts to obtain a line of credit at a different bank did not work out, the board discussed the benefits of applying for a line of credit once all of the finances are back in order as a way to plan for any unprecedented events in the future.
