

Good evening, this is Holly Matson with Thorsby School

Please listen carefully to the following message for information regarding upcoming events happening this week on campus.

Our varsity football team made it into the first round of the state playoffs. We will be hosting Chickasaw High School at home this Thursday night November 9, 2023. Kickoff is at 7:00 PM. The gate will open at 5:30 PM. Because it is directed by the Alabama High School Athletic Association, there are many changes from what we are used to for regular season games. All ticket prices and procedures are set by the AHSAA.

- All spectators, regardless of age, must have a valid ticket or an official AHSAA pass to enter. Unlike regular season games, no employee badges or season passes will be accepted; only badges given by the AHSAA will be permitted for free entry.
- There will be NO PASSES OUT - no exceptions. Please have everything you need with you upon entering the gate.
- Tickets are available digitally through Go Fan or with a cash purchase.
 - Digital tickets through GoFan are \$10 plus fee for a total of \$11.50.
 - Cash tickets are \$12
- **PLEASE NOTE: It is CHEAPER to purchase a digital ticket through GoFan.**
- We strongly recommend purchasing digital tickets in advance to make the process of entering the gate on Thursday night quicker and easier for everyone's sake.
- If you need assistance with the purchase of digital tickets, please visit the front office at THS tomorrow or Thursday between the hours of 9:00 AM and 2:00 PM. We can guarantee a staff member who understands the process will be on campus during those times to assist you. If you ask for ticket purchase assistance during school arrival or school dismissal, you may have to wait a while before someone can assist you. If you come during aftercare hours (usually until 6:00 PM), we cannot guarantee an employee who is knowledgeable in the purchasing process and may not be able to offer any help.
- The link for Football Playoff Tickets can be found on our official website and our Facebook page- <https://gofan.co/event/1216573?schoolId=AL2360>
- Please remember to be a positive influence toward our players and provide a welcoming environment for our visiting fans.

Also taking place this Thursday, will be our PreK-3rd grade Veterans Day Program. Students in grades Pre-K through 3rd grade will attend. PreK and Kindergarten will say the Pledge of Allegiance, and our 1st, 2nd, and 3rd grades will perform a patriotic song. This will take place in the auditorium at 9:00 AM for any parents of those grade levels that would like to attend. If you have any questions, please contact your child's teacher for more information.

Finally, there will be no school this Friday, November 10, 2023, as Chilton County Schools observe Veterans Day.

Thank you, and have a great evening!
