PLEDGE OF ALLEGIANCE

ANNOUNCEMENTS

Thank you to all of you who came to hall decorating last night, we greatly appreciated your help. The task of decorating halls is not easy, we appreciate the time and effort of each and everyone of you. Thank you for showing your Chemic Pride through your participation!

Today's spirit day is USA day. Thank you for ear red, white, and blue! P2P will be handing out patriotic tattoos to Chemics who are participating today during both lunches. Look for us in the Self Love Club booth.

Tomorrow's spirit day is Tropical Tuesday. You know that this looks like Chemics! Get out your bucket hats, shorts, flip flops, sunglasses, bright colors, and tropical shirts! Keep your eye out for the booth tomorrow to see the giveaway!

Don't forget, Wednesday is Yell Night from 7 - 8:30 p.m. in the main gym. Invite your classmates, your locker neighbors, your lunch pals, tell everyone! See you there!

In honor of Midland Dow Week, we are having a coin competition between classes. Not only is this competition between classes it is also a competition between Midland and Dow! All the money that is raised is going to the American Cancer Society. How does it work? Each classroom will receive a box with instructions during this hour. Students and teachers should place coins in the box. The grade that raises the most money starting on Monday the 21st will win! You can also bring in your coins on Wednesday, October 23 at our Yell Night Competition. Coin collection will end Friday, October 25th!

POSITIVE THINKING

Optimism is a Choice

You can choose to view your life through an optimistic lens, or you can choose to view it through a negative lens. Whatever choice you make sets your course. Optimism empowers you to overcome obstacles and reach your goals, while negativity will drag you down and leave you feeling helpless. Choose carefully.
