Highlights from Letters to Power 88

- Thanks for the good music and for your vision! I must say it took me many years of listening before sending this to you. I'm 50 years and have lived in Mobile for many years.
- We love you guys and thank God for the fact that our two young daughters are growing up listening to Christian music on the radio!
- I listen to ya'll every morning on the way to school. Keep up the good work and continue to play really uplifting and encouraging songs. They really help get me through the day sometimes by reminding me that God loves me and to not give up.
