

2025-2026 Elective Registration Form

Student Name: \_\_\_\_\_

Student lunch number: \_\_\_\_\_

Please read the directions below and choose the electives you would like to request for the 25-26 school year. Your choices are in the box to the right. Please use your Custom Advisement Sheet/Graduation Checklist/Pathway sheet that you received during Panther Period to help you make your choices for next year. You can also access a power point that describes each elective found at phs.hcbe.net under the registration 25-26 circle.

Below are the elective classes I would like to take for the 2025-2026 school year. **Please do not list a choice more than once.** All students will begin in the introductory level of the pathway they choose. Please remember you must have at least three CTAE, Fine Arts, and/or Foreign Language credits in order to graduate. Two years of the same foreign language are required for admission to most four-year colleges.

1. \_\_\_\_\_
2. \_\_\_\_\_
3. \_\_\_\_\_
4. \_\_\_\_\_

Below are the alternative elective classes that I would like to take in 2025-2026 if my first four choices cannot be met. Please do not list a class that is listed in your top four choices. Remember that if a class is on this registration sheet, there is a chance it will be on your schedule.

1. \_\_\_\_\_
2. \_\_\_\_\_
3. \_\_\_\_\_
4. \_\_\_\_\_

I am interested in **off campus academic** dual enrollment. I know that I need to attend Evening Advisement. My counselors will then meet with me on March 11 during PAWS to answer any questions. The information from DE Parent Night is located on the PHS webpage. I understand that I need to register for courses with the college. PHS cannot register me for off campus academic DE classes. The deadline to register for summer or fall is May 9.

\_\_\_\_ Summer  
\_\_\_\_ Fall/Spring

**Here are your choices (all students will start in the introductory level):**

- Art (Drawing/Painting)
- Art (Ceramics)
