

# Elmore County Public Schools

## In-Person Instruction Plan

### 2022-2023

#### Academics

- All schools will provide face-to-face instruction beginning August 8, 2022.
- School-based virtual instruction is discontinued.
- All virtual students will attend The EDGE Virtual School (upon completion of application/admission process).
- Blended attendance is only allowed with prior approval from the principal as outlined in the 2022-2023 Student Handbook, page 13.

#### Athletics

- Athletic events will operate at 100% capacity.
- Equipment will be disinfected after each athlete's use.

#### Mental Health

- Employee Assistance Program offered through American Behavioral to include virtual and in-person counseling, stress management, legal and financial counseling, wellness program, etc.
- The Social Emotional Learning Program through Edgenuity will be available for students placed at Elmore County Alternative Programs.
- Mental Health Services Coordinator will assist in identifying and responding to signs of mental health and substance use challenges of students.

#### Health/Safety

- Continue protocols set forth by the ADPH & CDC as outlined in the COVID-19 Update section found at [www.elmoreco.com](http://www.elmoreco.com).

#### Child Nutrition

- Breakfast will be served in classrooms.
- Lunch will be served in each cafeteria.
- Students will self-serve meal components. Minimal items will be pre-portioned.
- Students will use lunch cards instead of entering lunch account numbers to access meal accounts at the registers.
- All families are requested to complete the Free-Reduced Meal application. Applications are available in the school office, CNP Office, or online at [www.myschoolapps.com](http://www.myschoolapps.com).
- Continue cleaning protocols according to ADPH guidelines.

#### Technology

- Continue 1-to-1 Chromebook student devices.
- Place 1 desktop computer in each classroom in case of forgotten or broken student devices.
- Access to Wifi hotspots through Central Access.
- Kajeets (mini Wi-Fi devices) available for checkout to families in need, upon administrator request.

#### Transportation

- Maintain current health and safety protocols to include:
  - Disinfect buses after morning and afternoon routes.
  - Maintain mandatory assigned seats/seating chart for students.
  - Utilize a designated seat for sick students.
  - Provide a mask for sick students.
